What is GraceKBH?

GraceKBH is a safe space for Copenhagen's homeless. It is a part of Blue Cross Denmark and was opened in 2012.

GraceKBH is situated in Nørrebro and is driven at 99% by volunteers.

There are two main aspects to GraceKBH:

The *Morning Café* runs from April 1st to November 30th. We serve breakfast for anyone who needs a good start to the day. They can relax, use computers, play board games and socialize.

There is a resting room where the guys can sleep, and a free storage space for their belongings.

The *Emergency Shelter* runs from December 1st to March 31st. Here we serve a hot meal, tea & coffee. We make sure that up to 40 people can have a warm bed for the night.

Meet "the Guys"

At GraceKBH everyone is welcome! Our guests are mainly homeless immigrants from Eastern Europe and Central Africa.

Many of the guys have families around the world that they have to support. They come to Denmark in the hope of a better life, trying to find work and collecting bottles.

When they come to GraceKBH, they are usually cold and tired after having been out on the streets for many hours. They are vulnerable and in need of a safe place to relax.

How can you help?

Make a difference by joining us for a shift!

Morning and evening shifts

The morning shifts are weekdays from 7:30 until 12:00. The evening shifts are every day from 19:30 to 23:00.

The tasks include:

- Preparing and serving meals
- Clearing up and doing the dishes
- Distributing donated clothes
- Having fun with the guys

Night shifts

The night shifts are every day from 23:00 to 08:00.

The tasks include:

- Making sure that things stay quiet and peaceful during the night and help out if there are any problems
- Preparing breakfast and cleaning up
